About me

I'm Andrea, Italian and a 48 year old travel YouTuber and Content Creator from Modena who loves to help people realize their travel dreams. In my YouTube and social media channels I talk about Low cost Trips, where I teach: hacks, small tips and strategies to create low-cost holidays. I believe in being helpful and authentic.

Service

I will create interesting ads and reviews using both videos and photos that will appear on my social media channels, which will sponsor your product.
